## H-MTD – High-Speed Modular Twisted-Pair Data

## Perfectly Assembled Cables – Our USPs

- Highly automated production line with modular transfer technology and process monitoring
- Compliance with the smallest processing tolerances
- Handling of various cable variants (STP, SPP)
- Globally standardized machinery

## **Your Advantages**

- > High frequency range and high data rates
- Less mating processes due to a modular package concept (standard connector with 1-, 2- and 4-way housings)
- > Automated assembly with process monitoring
- > Small but robust design

## **Technical Information**

#### **Electrical**

Return loss

#### ≥ 30 dB, 0.01 GHz up to 3 GHz

#### Mechanical

Keying efficiency	$\geq 150 \text{ N}$
Engagement force	< 45 N
Retention force latch	$\geq 110 \text{ N}$
Mating cycles	≥ 25

#### Environmental

Temperature range Qualification according to -40 °C up to +105 °C DIN EN 60068 -2

Specification according to Rosenberger datasheet

## Requirements

Combination of high-performance data transmission up to 15 GHz and 20 Gbps and a small and robust design

## **Applications**

- 4K camera systems
- Autonomous driving
- > 4K high-resolution displays
- > Rear seat entertainment

## **Protocols & Signals**

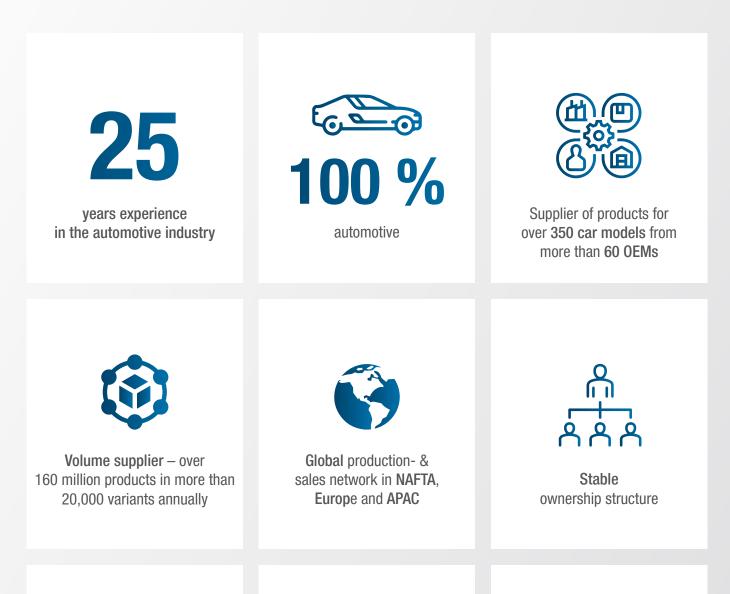

- , LVDS
- Automotive Ethernet
- FPD-Link
- , GMSL
- > APIX
- , PCle
- > MIPI A-PHY
- Next generation protocols

# **MD in a Nutshell**

The C.A.S.E. megatrend describes the four essential future topics for the automotive industry: Connected, Autonomous, Shared & Service and Electric. Data plays a central role and drives the future of the automotive industry. Data is generated, transferred, merged and evaluated. We are experts in the transmission of the rapidly increasing data volumes and have developed the latest technological solutions for this future topic.

Worldwide leading company for data transmission solutions in vehicles

Approx. 6,000 employees worldwide

Accredited in-house test laboratory

Do you have any questions or need a data transmission solution in vehicles? Please contact us: product-info@md-elektronik.com
